National Aeronautics and Space Administration

The Juno spacecraft is heading to Jupiter to solve some of its many mysteries. You can help by playing JunoQuest at spaceplace.nasa.gov/junoquest.

NOVEMBER 2011

NASA Space Place CALENDAR

SPACEPLACE.NASA.GOV

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
International Creative Child and Adult Month. Get creative together over a stunning Galactic Mobile.		1	2 FIRST QUARTER	3	4	5 **Gunpowder Day.** How much "virtual gunpowder" would it take to shoot a cannonball into orbit?
6 **Daylight Saving Time Ends.** How did clocks, hours, minutes, and timekeeping in general ever get started?	7	8 **National Parents as Teachers Day.** The Space Place has lots of free resources to help parents be teachers.	9 **National Young Readers Day.** Read *Professor Starr's Dream Trip* out loud and enjoy the whimsical rhythms and rhymes.	10 FULL MOON	11	12
13 **World Kindness Day.** Good Scouts practice acts of kindness every day. See what else they can do to earn badges at The Space Place.	14 **I Love to Write Day.** How about trying a cosmic poem?	15 **National Geography Awareness Week.** Do you know how to read, or, better yet, make a topographical map?	16	17	18 LAST QUARTER	19 **Have a Bad Day Day.** One way to have a bad day is to tour the solar system looking for a better climate than here.
20	21	22 **National Game and Puzzle Week.** You will find lots of games and puzzles at The Space Place.	23	24 **Thanksgiving Day.** Do you think the pilgrims on the Mayflower could have navigated by the stars? If they'd had our Starfinders, they could.	25 NEW MOON	26
27	28	29	30
