

Pastel Aurora

Full directions: spaceplace.nasa.gov/pastel-aurora

Directions:

1. Cut along the line to create your aurora guide.
2. Place your guide on top of black construction paper.
3. Trace the guide with oil pastels.
4. Still holding the guide in place, use a paper towel to spread the pastel.
5. Place the guide in a different spot and repeat steps 3 and 4.

Pastel Aurora Guide
