

NASA's Heliophysics Division seeks to understand the Sun and how it interacts with Earth and the solar system. Get better acquainted with our star at spaceplace.nasa.gov/story-superstar.

CALENDAR

MARCH 2013

spaceplace.nasa.gov

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					1	2
<p>International Listening Awareness Month. Listening makes the world a better place. Practice with our Podcasts.</p>					<p>Peace Corps was founded in 1961. Volunteers learn about Earth's ecology, and so will you when you play Earthy word games.</p>	<p>Dr. Seuss was born this day in 1904. If you like Dr. Seuss stories, you might like "Ode to Aerogel."</p>
3	4	5	6	7	8	9
			<p>Girl Scout Week. Girl Scouts can earn badges at The Space Place!</p>			
10	11	12	13	14	15	16
<p>First telephone call, 1876. How do we talk to spacecraft way out in space?</p> <p>Daylight Saving Time begins</p>	 <p>International Ask a Question Day. Ask Space Place a question, or see our answers to questions others have asked.</p>				<p>Absolutely Incredible Kid Day. Adults write letters telling kids how incredible they are. If you visit The Space Place, you deserve one!</p>	
17	18	19	20	21	22	23
<p>St. Patrick's Day. Leprechauns are popular little green men on this day. What would we say about Earth if we ever met other little green beings out there in space?</p>			<p>International Earth Day. Find out how viewing Earth from space can help save the planet!</p> <p>Vernal Equinox (first day of spring)</p>		<p>International Goof-off Day. Watch the clouds on goof-off day. Then learn their names and do some cloud puzzles.</p>	<p>World Meteorological Day. Did you know Earth weather takes place inside of the Sun's weather?</p>
24	25	26	27	28	29	30
						<p>Take a Walk in the Park Day. Or, if you can't get out, take a virtual walk through the "Land of Magic Windows."</p>
