

Physical Science on The Space Place

People and Technology Fun Quest

Instructions: Go to spaceplace.nasa.gov. For each “find” below, type into the Space Place Search field the word in **bold** letters. What you are looking for will be on the resulting menu, but may not be the only thing on the menu. When you find the item, **write in the answer or the title of the page or paste in the URL.**

Find a game in which you “**pilot**” a spacecraft. What is the spacecraft’s destination?

Which astronomer interviewed on **Space Place Live!** (<http://spaceplace.nasa.gov/space-place-live/>) was inspired by the movie “Star Wars” to have a career in space.

Find the name of an engineer on **Space Place Live.**

Find names of two physicists who were guests on **Space Place Live.**

Find a game with a **train**. What is the name of the train?

Find an activity for which you need a **balloon**. What’s the balloon used for?

Find a **dog** on The Space Place. What’s he doing?

Find a story with a **helicopter**. In the story, what’s the name of the person who broke his leg?

Find an article with a **superhero**. What is the superhero’s name?

Find a page where you can drill a hole through a door using a **laser**. Name one other thing a laser is good for.
