Cut these pieces out of two large (9 x 11 inches, or larger) styrofoam meat trays.

- **Fold**
- **Wheel--cut 8**
  - Be sure to mark center on each piece
- **Shoulder**
  - (cut 2)
- **Wheel struts**
  - (cut 4)
- **Body--cut 2** (one for top, two of the sides and the other for bottom, the other two sides)
Cut out decal and wheel tread strips. Cut out paper only. If you wish, you can print these on heavier or colored paper.

Decal for top of nanorover. Color, if you like.

Wheel "treads." Cut on lines and wrap around wheel circles.

Decal for camera lens
